A close-up photograph of a hand operating a beer tap. The tap is silver and has several black handles. A stream of light-colored liquid is being poured from the tap into a glass. The glass is held by another hand and contains a drink with a slice of orange, a sprig of mint, and a strawberry. The background is dark and out of focus.

the Rolling
Green.
craft bar

Mobile Bar

FOR CORPORATE & PRIVATE EVENTS

How We Work

The customer orders exact quantities as per the price list. The Rolling Green will arrive at the location and serve the exact amount ordered. The Rolling Green therefore does not carry extra stock. The Rolling Green does not refund any open kegs/ bottles or any packs. A keg cannot be halved. The service fee includes all condiments, ice and packaging. The service fee is dependant on times/ location/ set up type and special requests.

Thank you!
